

MUSHROOM BOLLARD MTM

DECORATIVE BOLLARD

MUSHROOM Bollard luminaire is a durable and energy-efficient LED lighting solution, ideal for outdoor spaces like parks, gardens, and walkways. It features a high-quality die-cast and extruded aluminum body with a PC diffuser, ensuring both style and functionality.

Designed for reliability, this luminaire offers excellent performance with minimal maintenance. Its energy-efficient 120° viewing angle provide optimal illumination while reducing power consumption and environmental impact. With IP65 protection and 4kV surge resistance, it is built to withstand harsh outdoor conditions. Available in 10W, 3000K color temperature for versatile lighting applications.

Input Power	Ø	Size H (mm)	Rated Voltage (V)	Power Factor	ATHD	Input Frequency	Efficacy (Lm/W)	CCT*	CRI
MUSHROOM BOLLARD 10W	180	1000	240	>0.90	<10%	50Hz	70	3000K	70

* WW: 3000K, NW: 4000K, CW: 5700K. Other CCTs also available on request
