

# WAKEFIELD

DESIGN  
FOR CITY BEAUTYFICATION

Wakefield Lighting Pole is a contemporary linear design that is both timeless and stylish. Single piece construction of the square column gives perfect continuity and reliability. Consisting of highly efficient IP lens integrated cover with street light distribution which brings comfort and performance to streets, residential areas, parks and pedestrian areas with a quality of light.

Wakefield is available in three different length from 4m to 6m with single & double side mounting options of 500mm, 600mm, and 1000mm lengths.
